Beijing Gold, China

Beijing Gold is a premium, great tasting smooth beer brewed with the oriental cuisine in mind.

Based on a traditional Chinese recipe, using only the finest quality ingredients and low in carbonation it is the perfect beer to complement all oriental and spicy foods.

At 4.5% ABV and being less gassy than many other lagers it is great to have with dishes from the Asian sub-continent.

Beijing Gold is a medium-bodied, flavoursome beer with a vibrant gold colour, a refreshing and extra smooth taste makes it first choice among its competition. It is a delightfully satisfying drink especially when chilled.
