# NS THE NEW NAME IN BEER.

## KINNEGAR BREWING

We consider it somewhat of a coup that we have secured the distribution for the full range of one of the most exciting new Irish breweries around. You will have needed your beer antennae working at full tilt to have hunted down the Kinnegar brews previously, as they were originally produced, not even on a micro scale, but on a nano scale! “Small Brewery, Big Beers” is how brewing maestro Rick LeVert describes this brewing gem, but we reckon the quality of the brewing will soon mean that this small brewery will not remain small for very long. Beautifully designed labels make them easy to spot, and if you have the good luck to find yourself in their zone, in and around Rathmullan village in far north Donegal, don't hesitate to drop in at the brewery, where Rick always has a glass at the ready....

**Limeburner Pale Ale 500ml 4.7%** - Limeburner is light, crisp and refreshing, like a summer's evening with a hoppy accent at the end.

**Devils Backbone Amber Ale 500ml 4.9%** - Devil's Backbone is full bodied and full flavoured like a mellow autumnal day with a hint of chocolate thrown in.

**Scraggy Bay Indian Pale Ale 500ml 5.3%** - Fondly known as “Yellowcap”, Scraggy Bay is a balanced golden ale with a snappy little bite of hops.

**Rustbucket Rye Ale 500ml 5.1%** - Rustbucket is a balance of rye and barley malt. The rye gives it a little spiciness which combines nicely with hops that contribute a citrusy note.

**Yannaroddy Coconut Porter 500ml 4.8%** - Yannaroddy is rich in traditional dark roasted malt flavours laced with an exotic streak of coconut.
